VOLUNTEER EXPERIENCE

The Channel Box · Aug 2021 - Present

- Animation Twitch stream host. Giving weekly feedback online, doing animation demos, and interviewing people in the industry

Private tutoring · Dec 2018 - Present

Dailies Host · Animation Mentor · June 2018 - June 2021

- Running weekly sessions of feedback for students of all classes at Animation Mentor, to give extra help during the week before they submit their assignments.

Peer Buddy Program/Tutor · Animation Mentor · Oct 2017 - Mar 2021

- Helping other students with their Animation Mentor life, and growth during the different terms.
- Organising video call sessions both with my peer buddy, and other students, to help them integrate better with the community, and benefit from our study groups.
- Giving constructive feedback, according to my buddy's need and times, focusing on describing what could be improved, explaining the reasons why -so they can learn from it- and suggesting ways in which to tackle it

OTHER INTERESTS

Travelling (willing to relocate *wink wink*), archery, rollerskating, analysing movies, and buying books faster than I can read them
